THE NEXT GENERATION...

GENERATION Fleadh takes place from the 23 - 26 October 2024.

Bringing film culture to young people across Galway City and County, **GENERATION Fleadh** is the youth portion of the Galway Film Fleadh. It's a 4-day event in October packed with film screenings, workshops, an educational film programme, outreach events, engagement opportunities for young people, and more.

Our aim is to promote film culture among young individuals aged 12 – 24, providing them with a platform to connect with like-minded people and celebrate Galway's vibrant cinema culture. The youth voice is central to **GENERATION Fleadh's** programming and planning, informing and shaping the annual events through the Youth Council and review panels.

EDUCATIONAL PROGRAMME

Our educational programme showcases the best of Irish and European cinema. We tailor it to support the school curriculum and choose films that are both informative and enjoyable for young audiences. We're dedicated to supporting film in school curricula and promoting film literacy for children and young people.
